

Receipt Confirmation Postcard

Included with the paper materials mailed from the Board's office but not with the electronic materials is a postcard to be used by an applicant if the applicant wishes to receive verification of receipt of the application. This is an optional submission.

If an applicant submitting application materials obtained from this website in an electronic format wishes to receive verification of receipt of the application, the applicant should include with the application a postcard or index card addressed to the applicant and including the following wording: "Your July 2006 Application for Admission to the Delaware Bar has been received and is currently being checked for completeness." Please view the image of the postcard below for further information.

If the optional postcard is NOT enclosed with the application, the applicant will receive written confirmation of receipt within two weeks after the filing deadline. The Board will not confirm receipt by e-mail or by telephone.
